

7th ANNUAL INTERNATIONAL MEETING BIOMARKERS SUMMIT IN UROLOGICAL CANCERS NOVEMBER 17/18, 2022 FAD WEBINAR

SCIENTIFIC DIRECTOR **DR. UGO DE GIORGI** HEAD GU UNIT - IRST IRCCS - MELDOLA (FC)

11.17.22

15.30 **Introduction and presentation** Giovanni Martinelli (IRST IRCCS Scientific Director, Meldola, IT) - Ugo De Giorgi (Meldola, IT)

I SESSION

RENAL CELL CARCINOMA AND UROTHELIAL CANCER

Moderators: Ugo De Giorgi (Meldola, IT) - Giuseppe Banna (Porthsmouth, UK)

15.30 **Contemporary immuno-oncology combination therapies in patients with metastatic renal cell carcinoma** Brian Rini (Nashville, US)

16.00 **Immune-inflammatory indexes and treatment outcome in metastatic renal cell cancer** Sara Rebuzzi (Savona, IT)

16.15 **Elderly and frail patients** Umberto Basso (Padova, IT)

16.30 **Discussion on the topics discussed**

16.50 **Immuno-oncology drugs to improve outcomes across stages in urothelial cancer** Guru Sonpavde (Orlando, US)

17.20 **Prognostic scores in the clinical practice of metastatic bladder cancer** Sebastiano Buti (Parma, IT)

17.35 **Discussion**

17.50 **Future prospects of targeted therapies and antibody-drug conjugates in bladder cancer** Matthew D. Galsky (New York, US)

18.20 **Discussion**

18.30 **Conclusion**

11.18.22

15.30 **Introduction and presentation** Ugo De Giorgi (Meldola, IT)

II SESSION

PROSTATE CANCER – NEW CHALLENGES AND CLINICAL APPLICATION

Moderators: Gerhardt Attard (London, UK), Francesca Demichelis (Trento, IT - London, UK)

15.40 **The Stampede evolution: biomarkers' based approaches in prostate cancer** Gerhardt Attard (London, UK)

16.10 **Liquid biopsy for prostate cancer, the prime experience** Francesca Demichelis (Trento, IT - London, UK)

16.40 **Discussion on the topics discussed**

17.00 **Patient selection for ARSI vs taxanes in mHSPC: clinical vs molecular factors** Vincenza Conteduca (Foggia, IT)

17.20 **Impact of clinical and laboratory markers for treatment of nmCRPC and mCRPC** Nicole Brighi (Meldola, IT - London, UK)

17.40 **Targeted therapies and targeted radiotherapies** Ugo De Giorgi (Meldola, IT)

18.00 **Discussion on the topics discussed**

18.40 **Movember** Paolo Grillandi (Forlì, IT)

18.50 **Discussion**

19.00 **Conclusions** Ugo De Giorgi (Meldola, IT)

Registration is free of charge and has to be done online through <https://fad.mitcongressi.it/>

4,5 ECM / CME have been requested for the following professional specialties:

Biology, Pharmacy, Biomedical Technician, Radiology Technician, Anatomic and Pathology, Allergology and Immunology, Anesthesia, General surgery, Palliative care, Medical hospital management, Endocrinology, Pharmacology and toxicology, Medical genetics, Medical genetics laboratory, Internal medicine, Nuclear medicine, Nephrology, Radiodiagnostic oncology, Radiotherapy, Urology, Nursing
